Vignan Group of Educational Institutions

Greatness Inspired
Our Chairman

Dr. Lavu Rathaiah, Founder and Chairman of the Vignan Group of Institutions, is a visionary educationist who has profoundly shaped the educational landscape of Telangana and Andhra Pradesh. Rising from humble beginnings, he transformed educational challenges into a lifelong mission to make quality education accessible to every student.

His philosophy of holistic learning - shaping the mind, character, and spirit of every student - has redefined education by fostering not only academic excellence but also resilience, creativity, and transformative personal growth.

Through his relentless dedication, he has shaped countless leaders across diverse industries, provided life-changing opportunities to many families and communities, inspired educators, empowered generations of students, and left a lasting legacy that continues to transform the aspirations and futures of young minds.

Under his leadership, Vignan has grown from a modest tutorial center into one of the state's largest educational hubs, spanning schools, colleges, and a deemed university, thereby raising academic standards and contributing to the socioeconomic development of entire communities.

Greatness Renewed
Our Vice-Chairperson

Lavu Rani Rudrama Devi garu, Vice-Chairperson of the Vignan Group of Institutions, is a leader dedicated to shaping the future of education. Recognised as one of the Top 100 Women Achievers of India by India Today in 2023, she is a leader par excellence with a deep understanding of the evolving educational landscape.

With unwavering dedication to keeping Vignan not only relevant but also ahead in the 21st century, she brings strategic vision, innovative thinking, and a keen sensitivity to students' needs to every initiative. Deeply committed to fostering creativity, critical thinking, and holistic development, she works tirelessly to empower students, inspire educators, and strengthen Vignan's positive impact on communities across Telangana and Andhra Pradesh.

Smt. L. Rani Rudrama Devi

Vignan Group of Educational Institutions

2 ACRE
BEST CBSE SCHOOL FOR ACADEMICS & SPORTS

WHAT SETS US APART!

Healthy Spaces

Established in 2013, Vignan Global Gen School, ECIL began its journey in the heart of the city, surrounded by serene landscapes. With airy, sunlit classrooms, the school quickly gained recognition as a leading international institution. To accommodate future growth, it recently expanded to a larger campus just 2 km away, featuring state-of-the-art infrastructure, spacious digital classrooms, advanced laboratories, and modern learning environments designed to meet the needs of 21st-century education.

CBSE CURRICULUM

The CBSE (Central Board of Secondary Education) curriculum is widely respected for its comprehensive approach to education, emphasizing academic rigor, skill development, and practical application. The curriculum is designed to provide a well-rounded learning experience, aligned with the latest educational standards and promoting holistic student growth.

TEACHING AND LEARNING APPROACH

Our CBSE curriculum is tailored to nurture young minds through experiential learning and a child-centric approach. This includes hands-on activities that make learning engaging and meaningful for our students.

In alignment with experiential learning and NEP guidelines, textbooks and workbooks for Grades 1 to 5 and 6 to 10 are thoughtfully designed by subject experts to ensure a modern and relevant educational foundation. Every lesson in each subject includes two to three activities to make concepts clear.

CURRICULAR ACTIVITIES

Activity Pageant showcase Subject based skills they've developed, providing parents and the school community a glimpse into the students' growth and hard work in academics.

EXAMINATION SYSTEM

Written examinations are strategically scheduled throughout the academic year, including monthly concept-based tests (CBTs), periodic assessments, and term assessments. The question papers are designed in alignment with the board examination pattern, focusing on application-based questions and an innovative approach to assessment.

This ensures that our students are well prepared to think critically and creatively when facing real-world challenges.

EDUCATORS

To ensure the highest quality of education, Vignan Global Gen invests in the continuous professional development of its CBSE educators. Our teachers participate in 584 hours of orientation programmes conducted by CBSE, ISC (Bengaluru), SCERT (New Delhi), HCU, and TISS.

These training sessions focus on innovative teaching methodologies, real-world application of concepts, assessment strategies, and classroom management techniques, equipping our faculty to effectively meet the diverse needs of students.

OUR UNIQUE FEATURES

INNOVATIVE PEDAGOGICAL PRACTICES

We believe in adopting innovative pedagogical practices that go beyond traditional teaching methods. Our teachers are trained to use creative and modern approaches to enrich the learning experience of our students. We employ AI, project-based learning, blended learning, and personalized learning to help students develop critical thinking, problem-solving, and collaboration skills. Our goal is to equip students with the knowledge and abilities they need to thrive in the modern world.

OLYMPIADS

We offer specialized classes for our students, supported by carefully curated materials, to strengthen their logical reasoning, analytical thinking, problem-solving, and aptitude skills. These sessions are designed to help students excel in prestigious international competitions such as the Global Knowledge Challenge, the Science Genius Contest, NTSE, SOF, ITO, and the International Talent Assessment. By participating in these exams, students gain the confidence and skills necessary to succeed in national-level competitions after the 10th grade.

IIT JEE/NEET PRE-FOUNDATION

Our CBSE Integrated Pre-Foundation Programme offers a structured offline learning experience for students in Grades 6 to 9, blending school academics with early preparation for IIT-JEE and NEET. The curriculum focuses on strengthening fundamentals in Science, Mathematics, Mental Ability, and Logical Reasoning through a progressive, grade-wise approach.

Regular offline classes, practice tests modeled on competitive examinations, and focused mentoring enhance IQ, EQ, and problem-solving skills, thereby building a strong foundation for future success.

RECORD BREAKING PERFORMANCE IN X CLASS

Vignan Schools continue to set benchmarks in academic excellence, consistently delivering outstanding results in the CBSE Class X examinations. Our students demonstrate exceptional performance year after year, reflecting the strong academic foundation, structured preparation, and dedicated mentorship provided across all campuses.

In a significant milestone, Vignan Schools secured the 1st position in Telangana in the CBSE Class X Results - 2024, reaffirming our academic leadership at the state level.

With a 100% pass rate and an impressive overall average, Vignan Schools stand among the top-performing institutions nationally. A large proportion of our students score above 95%, while many achieve perfect marks in core subjects such as Mathematics and Science. This consistent academic success is a testament to our rigorous curriculum, experienced faculty, and student-centric learning approach. At Vignan Schools, we remain committed to nurturing excellence, discipline, and confidence-empowering students to achieve their highest potential and succeed in a competitive world.

OUR PACE BOOK, AN INNOVATION

Unlike any other institution, Vignan has introduced a planner for academic, curricular, and extracurricular activities in its schools. The Vignan Pace Book is designed with the sole purpose of keeping parents consistently informed about their children's learning at school. It contains an hourly plan for each subject, along with corresponding teaching aids, activities, and events aimed at enhancing the physical, social, and emotional development of students. The planner also includes exam schedules, festivals, and holidays spanning the entire year.

ACADEMIC SUPPORT AND SKILL ENHANCEMENT PROGRAMME [ISP/PDP]

This program focuses on individualized support for students who face challenges in their learning journey. After assessments, students requiring additional help are identified and provided with tailored classes to meet their specific needs. Teachers offer focused attention and academic guidance to help students improve and regain confidence.

Grades III-VIII : Weekly two-hour sessions are conducted under the Individual Support Programme (ISP), focusing on core academic areas.

Grades I-II : The Personal Development Programme (PDP) is offered to build confidence and enhance English-speaking skills, fostering holistic growth from an early age.

COORDINATORS

An academic coordinator is a professional with thorough subject knowledge and extensive experience in guiding teachers. The coordinator leads the department, monitors classroom teaching, and supervises student performance in examinations. At Vignan, we have an excellent team of coordinators who are highly proficient in their respective subjects and dedicated to maintaining the school's academic standards. Their commitment ensures the continuous growth and success of our students.

DEVELOPMENT INITIATIVES

STUDENT CLUBS

At Vignan, clubs are the heartbeat of student life; where passions find purpose and talents take flight. The Literary Club sharpens minds and pens through debates, storytelling, and creative writing. The Sports Club fuels discipline and teamwork, celebrating every sprint, serve, and score. The Cultural Club brings traditions to life with music, dance, and drama, weaving heritage into every performance. And the Community Welfare Club nurtures empathy, encouraging students to serve, uplift, and lead with heart. Together, these clubs create a vibrant ecosystem of growth, joy, and belonging.

ACTIVITY PAGEANT / SUBJECT ENRICHMENT PROGRAM

The Activity Pageant at Vignan Global Gen is a dazzling showcase of student creativity, collaboration, and charisma. Rooted in lesson activities, it brings classroom learning to life through science experiments, literary performances, cultural displays, and community initiatives. Every corner of the campus comes alive with vibrant energy as ideas bloom into action and every student finds a spotlight to shine.

What makes it even more special? Parents are invited to witness the magic firsthand - cheering, celebrating, and sharing in the joy of their child's journey beyond textbooks. It's not just an event; it's a shared memory in the making.

HAPPY CLASSES

The aim of education is not only to impart knowledge and skills but also to instill values and attitudes that enable students to contribute meaningfully to society. At Vignan, we believe that a happy and positive learning environment is essential for children's holistic development. Our curriculum incorporates practices such as meditation, fables, and anecdotes, which strengthen children's inner growth and encourage positive behavior.

STUDENT CONCLAVE

The Student Conclave at Vignan Schools serves as a vibrant forum for student leaders to learn, collaborate, and contribute to school development. Beginning in Grade 9, students take charge of committees such as Discipline, Sports, Literature, Events, Art and Culture, and Magazine. They plan assemblies and organize major occasions, including the Annual Day.

INTER BRANCH COMPETITIONS

Inter-Branch Competitions bring together students from all eight branches, fostering a spirit of healthy rivalry and collaboration. Held monthly across Literary, Sports, and Cultural categories, these contests are organized by dedicated clubs that train and mentor students to excel.

With auditions conducted on campus, participants gain a platform to overcome stage fear, showcase their talents, and build confidence. The journey culminates in a grand finale-a vibrant celebration of achievement, creativity, and teamwork that unites the entire Vignan student community.

EVENTS AND CELEBRATIONS

The entire year's events and celebrations are planned well in advance to help students acquire essential life skills on a strong foundation. We have already introduced unique initiatives such as the School News Channel, Artificial Intelligence workshops, and Entrepreneurship workshops to raise awareness among students about the demands of the future world.

This year's calendar also includes events, celebrations, new initiatives, field trips, picnics, health camps, ISP/PDP (special classes for students with specific needs), exams, PTMs, festivals, and holidays. An electronic copy of the calendar will be available on the school app, enabling parents to view and support their children's participation.

SFA CHAMPIONSHIP

The Sports For All (SFA) Championship, fondly called the "Olympics for Schools," is Hyderabad's premier inter-school sports spectade, uniting over 12,000 athletes from 600+ schools across 25 disciplines and crowning the No. 1 School for Sports in Hyderabad.

Vignan School has risen as a legendary powerhouse, becoming the only school to win this prestigious title five times, induding a dominant 2024 victory that capped an unmatched streak of excellence.

Rooted in our belief in holistic education, we place equal value on playground and classroom. With 26 certified coaches nurturing every child, Vignan ignites passion, builds resilience, and shapes well-rounded champions ready to soar in life and sport.

Examinations

1. Monthly CBT and MCBT assessments are conducted.
2. Question papers follow the CBSE pattern and are prepared by subject experts.
3. All examinations are supervised by external observers.
4. Exams are monitored under CCTV surveillance to ensure fairness and security.
5. Answer scripts of students from Classes I to X are exchanged among branch teachers for evaluation.

Morning Assembly

1. Assemblies are held on alternate days.
2. Every child is given the opportunity to speak from the stage.
3. Yoga and meditation are integral components.
4. Guest lecturers and parents are invited to address students.
5. The home period is effectively utilized to enhance reading and communication skills, team-building activities, event planning, and more.

Parental Relations

1. Five formal and two informal parent meetings are conducted each year.
2. Parents are welcome to visit during lunch hours to interact with teachers.
3. Contact numbers of class in-charges, the principal, and the transport in-charge are shared with parents for communication after school hours.
4. Term-wise feedback is collected from parents through questionnaires, helping us improve based on their valuable suggestions.
5. Parents are warmly invited to participate in every school event and celebration.

Sports

1. Games and cultural activities are conducted under the guidance of specialized coaches.
2. Eight different sports are offered by trained physical instructors.
3. Every student is required to select at least one activity and one sport each year.
4. Students are encouraged to participate in competitions ranging from inter-school to international levels.
5. Currently, 1% of our students are international players, 5% are national players, and 10% are state-level players

Co-Curricular Activities

1. Moral values and General Knowledge classes.
2. Computer instruction with a 1:1 student-to-machine ratio.
3. Dedicated Art and Craft sessions.
4. Handwriting improvement classes.
5. Sloka recitation sessions.

Students Awards

To celebrate talent and dedication, students are recognized each month with certificates across diverse categories, including:

Best Artist Award, Budding Scientist, Cheer Master, Excellent Effort Award, Full Attendance Award, Humble Bee, Math Whiz, Student of the Year, Super Speller, Super Stamina Award, Technology Whiz

ACADEMIC
ACTIVITIES OFFERED

1. Eduranet Olympiad (IOM and IOS)
2. Science Olympiad (NSO and IOM)
3. Indian Talent Olympiad (ITO) – Maths & Science (IMO and ISO)
4. Humming Bird Olympiad – Maths and Science

* All students from Classes I to VIII are encouraged to participate in at least one Olympiad exam.
* Training sessions are conducted twice a week to prepare students for these Olympiads.

Grade - VI to IX	Grade - I to VIII	
IIT - JEE/NEET Offline Integrated CBSE Syllabus Pre-Foundation Courses	English labs Computer labs	Library Science labs

I to X : Monday to Saturday
2nd Saturday Holiday

Remaining all Saturday's are Half days

Admission Procedure

1. Counselling
2. Registration for Assessment
3. Assessment :
   * PP1 : Oral Test
   * PP2 to Grade IX : Written Test
4. Seat Confirmation
5. Parent Orientation Programme

Parent's & Student's Commendations

We are very happy with the school and how you teach our son. He has become very smart and his listening skills have improved a lot lately. We are so glad to see his study skills getting better every day.

- Mrs. Mounika
Parent of Rudved, Nursery

The school provides a safe and positive learning environment with supportive and approachable teachers. As a new student, my child felt included and valued. Equal importance is given to academics and sports, with opportunities like Kabaddi competitions, MUNs, and anchoring for the school news channel, which have boosted her confidence and overall development. I am satisfied with the school's nurturing approach.

- Mother of B. Nikila,
Grade 9, Daisy

I would like to share my feedback on the Happiness and Self-Assessment classes. I have noticed a positive change in my child -he seems happier, more relaxed, and more confident, and is better at expressing his feelings. I also appreciate the encouragement towards healthy eating; he has slowly started reducing junk food. Thank you for introducing such meaningful classes that focus on emotional well-being along with academics.

- Mr & Mrs. Ravindranath Reddy & Swetha
Parents of D. Jai Karthik Reddy - II

Vignan Global Gen School, Nagaram has an exceptional ability to provide a safe and nurturing environment where children truly feel seen and heard. The school is commendable for striking a perfect balance between academics and co-curricular activities.The dedication of the teachers is especially noteworthy. Their thoughtful guidance has significantly improved my child's skills and confidence. I truly appreciate how teachers balance praise with constructive feedback, helping students understand their strengths while gently guiding them toward improvement.Every thought and effort put into student development is deep, meaningful, and clearly focused on holistic growth. I am very happy and grateful to be part of such a supportive and inspiring school environment.

- Mr. P. Sharat
Parent

The school provides a safe, caring, and joyful environment where my daughters feels happy and confident every day.Teachers are very supportive, patient, and truly care about each child's growth it shows in how my daughter's talks about school with excitement.The curriculum is well-balanced, and the school gives equal importance to academics, values, and extra-curricular activities."The teachers are very friendly, approachable, and always ready to help with any concern.""They teach with so much patience and love, and my daughter's has become more confident and eager to learn.""Special thanks to the teachers for their hard work assignments, and doubt-solving - it really made a difference.

- Mr. & Mrs. Saraswathi and Bondesh
Parents

Though there are many things to talk about, what I liked the most about the school is the Student Conclave. Being part of the Student Conclave helped my child express ideas confidently and develop leadership and teamwork skills. We are grateful to the school for organizing such an inspiring program.

- Mrs. Sirisha
Parent of Sree Pranav - VII

Vignan Principal Ma'am and respected teachers,
I sincerely appreciate Vignan Global Gen School for its holistic and student-centric approach. Since my daughter Ritwika Ojha joined Class 6 this year, we have seen remarkable improvement in her academics, confidence, and overall development. The balance of academics, co-curricular activities, value-based learning, and sports is truly commendable. Thank you to the management and teachers for nurturing students so well.

- Mr. Rituraj Raman
Parent
