Founder & Chairman
Vignan Group of Educational Institutions

Greatness Inspired
Our Chairman

Dr. Lavu Rathaiah, Founder and Chairman of the Vignan Group of Institutions, is a visionary educationist who has profoundly shaped the educational landscape of Telangana and Andhra Pradesh. Rising from humble beginnings, he transformed educational challenges into a lifelong mission to make quality education accessible to every student.

His philosophy of holistic learning - shaping the mind, character, and spirit of every student - has redefined education by fostering not only academic excellence but also resilience, creativity, and transformative personal growth.

Through his relentless dedication, he has shaped countless leaders across diverse industries, provided life-changing opportunities to many families and communities, inspired educators, empowered generations of students, and left a lasting legacy that continues to transform the aspirations and futures of young minds.

Under his leadership, Vignan has grown from a modest tutorial center into one of the state's largest educational hubs, spanning schools, colleges, and a deemed university, thereby raising academic standards and contributing to the socioeconomic development of entire communities.

Greatness Renewed
Our Vice-Chairperson

Lavu Rani Rudrama Devi garu, Vice-Chairperson of the Vignan Group of Institutions, is a leader dedicated to shaping the future of education. Recognised as one of the Top 100 Women Achievers of India by India Today in 2023, she is a leader par excellence with a deep understanding of the evolving educational landscape.

With unwavering dedication to keeping Vignan not only relevant but also ahead in the 21st century, she brings strategic vision, innovative thinking, and a keen sensitivity to students' needs to every initiative. Deeply committed to fostering creativity, critical thinking, and holistic development, she works tirelessly to empower students, inspire educators, and strengthen Vignan's positive impact on communities across Telangana and Andhra Pradesh.

Smt. L. Rani Rudrama Devi
Vice-Chairperson
Vignan Group of Educational Institutions

WHAT SETS US APART!

HEALTHY SPACES

Vignan School, Madinaguda, the inaugural branch of Vignan in Hyderabad, was established in 1995 under the aegies of Dr. L Rattaiah garu. Embracing Indian values while adhering to global educational standards, this institution has seamlessly blended Eastern and Western ideologies since its inception. Situated amidst serene surroundings, the school boasts ample natural light and fresh air from every direction, complemented by top-notch infrastructure and stringent hygiene standards. Its single-floor and layout, spacious eco-friendly classrooms, and an expansive open ground within a tranquil compound evoke the timeless ambiance of a gurukul.

Further enhancing its commitment to providing a holistic learning environment, the school has introduced a new academic block to support its growing family, ensuring it continues to cater to the evolving needs of its students.

BEST PRIVATE SCHOOL AWARD

Vignan's Madinaguda branch bagged the Best Private School of the state award in the year 2005. The award was presented by the honourable Chief Minister of Andhra Pradesh, Shri. N. Chandrababu Naidu.

OUR UNIQUE FEATURES

INNOVATIVE PEDAGOGICAL PRACTICES

We believe in adopting innovative pedagogical practices that go beyond traditional teaching methods. Our teachers are trained to use creative and modern approaches to enrich the learning experience of our students. We employ AI, project-based learning, blended learning, and personalized learning to help students develop critical thinking, problem-solving, and collaboration skills. Our goal is to equip students with the knowledge and abilities they need to thrive in the modern world.

OLYMPIADS

We offer specialized classes for our students, supported by carefully curated materials, to strengthen their logical reasoning, analytical thinking, problem-solving, and aptitude skills. These sessions are designed to help students excel in prestigious international competitions such as the Global Knowledge Challenge, the Science Genius Contest, NTSE, SOF, ITO, and the International Talent Assessment. By participating in these exams, students gain the confidence and skills necessary to succeed in national-level competitions after the 10th grade.

IIT JEE/NEET PRE-FOUNDATION

Our CBSE Integrated Pre-Foundation Programme offers a structured offline learning experience for students in Grades 6 to 9, blending school academics with early preparation for IIT-JEE and NEET. The curriculum focuses on strengthening fundamentals in Science, Mathematics, Mental Ability, and Logical Reasoning through a progressive, grade-wise approach.

Regular offline classes, practice tests modeled on competitive examinations, and focused mentoring enhance IQ, EQ, and problem-solving skills, thereby building a strong foundation for future success.

OUR PACE BOOK, AN INNOVATION

Unlike any other institution, Vignan has introduced a planner for academic, curricular, and extracurricular activities in its schools. The Vignan Pace Book is designed with the sole purpose of keeping parents consistently informed about their children's learning at school. It contains an hourly plan for each subject, along with corresponding teaching aids, activities, and events aimed at enhancing the physical, social, and emotional development of students. The planner also includes exam schedules, festivals, and holidays spanning the entire year.

VERSATILE FACULTY

Vignan has earned a strong reputation for research and training. Our faculty members undergo approximately 580 hours of professional development each year. Training opportunities are provided through premier institutions such as IISc Bangalore, HCU Hyderabad, TISS Mumbai, and SCERT New Delhi, enabling teachers to acquire national-level certifications. Beyond academics, our teachers are approachable and emotionally supportive, acting as second parents to students and helping them realize their full potential.

ACADEMIC SUPPORT AND SKILL ENHANCEMENT PROGRAMME [ISP/PDP]

This program focuses on individualized support for students who face challenges in their learning journey. After assessments, students requiring additional help are identified and provided with tailored classes to meet their specific needs. Teachers offer focused attention and academic guidance to help students improve and regain confidence.

Grades III-VIII : Weekly two-hour sessions are conducted under the Individual Support Programme (ISP), focusing on core academic areas.

Grades I-II : The Personal Development Programme (PDP) is offered to build confidence and enhance English-speaking skills, fostering holistic growth from an early age.

COORDINATORS

An academic coordinator is a professional with thorough subject knowledge and extensive experience in guiding teachers. The coordinator leads the department, monitors classroom teaching, and supervises student performance in examinations. At Vignan, we have an excellent team of coordinators who are highly proficient in their respective subjects and dedicated to maintaining the school's academic standards. Their commitment ensures the continuous growth and success of our students.

RECORD BREAKING PERFORMANCE IN X CLASS

Vignan Schools continue to set benchmarks in academic excellence, consistently delivering outstanding results in the CBSE Class X examinations. Our students demonstrate exceptional performance year after year, reflecting the strong academic foundation, structured preparation and dedicated mentorship provided across all campuses.

In a significant milestone, Vignan Schools secured the 1st position in Telangana in the CBSE Class X Results - 2025, reaffirming our academic leadership at the state level.

With a 100% pass rate and an impressive overall average, Vignan Schools stand among the top-performing institutions nationally. A significant proportion of our students secure scores above 95%, while many achieve perfect scores in core subjects such as Mathematics and Science.

This consistent academic success is a testament to our rigorous curriculum, experienced faculty and student-centric learning approach. At Vignan Schools, we remain committed to nurturing excellence, discipline, and confidence—empowering students to achieve their highest potential and succeed in a competitive world.

SFA CHAMPIONSHIP

The Sports For All (SFA) Championship, fondly called the "Olympics for Schools," is Hyderabad's premier inter-school sports spectacle, uniting over 12,000 athletes from 600+ schools across 25 disciplines and crowning the **No. 1 School for Sports in Hyderabad.**

Vignan School has risen as a legendary powerhouse, becoming the only school to win this prestigious title **five times**, including a dominant 2024 victory that capped an unmatched streak of excellence.

Rooted in our belief in **holistic education**, we place equal value on playground and classroom. With 26 certified coaches nurturing every child, Vignan ignites passion, builds resilience, and shapes well-rounded champions ready to soar in life and sport.

TEDx

TEDX, a reputed, internationally licensed platform, is a global mission of spreading transformative ideas worth sharing across diverse fields. Vignan is one of the very few schools in Hyderabad to host it three times in a row. TEDX gives students invaluable opportunities to become speakers, develop public speaking skills, embrace innovative thinking, and connect with professionals, innovators, and like-minded peers, while aligning with TED's vision of fostering knowledge, solutions, and lifelong learning.

DEVELOPMENT INITIATIVES

STUDENT CLUBS

At Vignan, clubs are the heartbeat of student life; where passions find purpose and talents take flight. The Literary Club sharpens minds and pens through debates, storytelling, and creative writing. The Sports Club fuels discipline and teamwork, celebrating every sprint, serve, and score. The Cultural Club brings traditions to life with music, dance, and drama, weaving heritage into every performance. And the Community Welfare Club nurtures empathy, encouraging students to serve, uplift, and lead with heart. Together, these clubs create a vibrant ecosystem of growth, joy, and belonging.

ACTIVITY GALORE

Learning by Doing, Celebrating through Sharing

True understanding of a lesson goes beyond textbooks-it is best achieved when every student actively participates in hands-on, engaging activities that bring learning to life.

At Vignan Global Gen School, we believe in the power of experiential learning. That's why, in every subject and every lesson, a minimum of two to three well-planned activities are integrated into the teaching process. To celebrate this vibrant approach to learning, we proudly host the Activity Galore, a special event where students showcase selected classroom activities to parents.

HAPPY CLASSES

The aim of education is not only to impart knowledge and skills but also to instill values and attitudes that enable students to contribute meaningfully to society. At Vignan, we believe that a happy and positive learning environment is essential for children's holistic development. Our curriculum incorporates practices such as meditation, fables, and anecdotes, which strengthen children's inner growth and encourage positive behavior.

STUDENT CONCLAVE

The Student Conclave at Vignan Schools serves as a forum that brings together student leaders. This initiative provides a unique and effective platform where students can both learn and contribute to school development.

In Grade IX, students take charge of various committees, including Discipline, Sports, Literature, Events, Art and Culture, and Magazine. They actively plan and organize events ranging from small assemblies to grand occasions such as the Annual Day. This hands-on involvement empowers students, boosts their confidence, and fosters the development of valuable leadership skills.

INTRA - BRANCH COMPETITIONS

Intra-Branch Competitions bring together students from all eight branches, fostering a spirit of healthy rivalry and collaboration. Held monthly across Literary, Sports, and Cultural categories, these contests are organized by dedicated clubs that train and mentor students to excel.

With auditions conducted on campus, participants gain a platform to overcome stage fear, showcase their talents, and build confidence. The journey culminates in a grand finale-a vibrant celebration of achievement, creativity, and teamwork that unites the entire Vignan student community.

INDFAME

INDFAME is a comprehensive, forward-looking art education programme that enriches school learning beyond the National Education Policy. Designed to integrate creativity with academics, life skills, and values, the programme offers an Integrated Visual Art Course for Grades III-VII. Delivered during regular art periods by trained school art teachers, the course encourages students to explore drawing, painting, design, and creative expression while linking art to other subjects. Students receive certificates recognizing their participation and artistic progress.

EVENTS AND CELEBRATIONS

The entire year's events and celebrations are planned to help students acquire essential life skills on a strong foundation. We have unique initiatives such as the School News Channel, Artificial Intelligence workshops, and Entrepreneurship workshops to raise awareness among students about the demands of the future world.

This year's calendar includes events, celebrations, new initiatives, field trips, picnics, health camps, ISP/PDP (special classes for students with specific needs), exams, PTMs, festivals, and holidays. An electronic copy of the calendar will be available on the school app.

Examinations

1. Question papers are designed by subject experts.
2. The CBSE pattern is followed from Grade I to XII.
3. Every examination is conducted under the supervision of external observers.
4. Answer scripts of students from Grades I to X are exchanged among branch teachers to ensure transparent evaluation.

Morning Assembly

1. Morning assembly and home period are conducted on alternate days.
2. Every child is given the opportunity to address the audience from the stage.
3. Jogging, yoga, slokas, and meditation are mandatory.
4. Guest lecturers and parents are invited to address students during assemblies.
5. The home period is effectively utilized to enhance reading skills, communication skills, team-building games, event planning, and more.

Parental Relations

1. Five formal and two informal parent meetings are conducted each year.
2. Parents are permitted to visit during lunch hours to interact with teachers.
3. Contact numbers of each class in-charge, the principal, and the transport in-charge are shared with parents for communication after school hours.
4. Term-wise feedback is collected from parents through an online questionnaire, helping us improve based on their valuable suggestions.
5. Parents are warmly invited to every event and celebration at our school.

Sports

1. Fifteen varieties of games and cultural activities are offered by specialized coaches.
2. Seven varieties of sports are conducted by physical instructors.
3. Every child must choose at least one activity and one sport each year.
4. Students are encouraged to participate in competitions ranging from inter-school to international levels.
5. Currently, 1% of students are international players, 5% are national players, and 10% are state-level players.

Co-Curricular Activities

1. Moral values and General Knowledge classes.
2. Computer education with a 1:1 machine ratio.
3. Art and Craft period (Grades I to V).
4. Handwriting improvement classes (Grades I to V).

Students Awards

At Vignan Schools, we recognize and celebrate the diverse skills and talents of our students. Each month, students are honored with award certificates in categories such as:

Best Artist Award, Budding Scientist, Cheer Master, Excellent Effort Award, Full Attendance Award, Humble Bee, Math Whiz, Student of the Year, Super Speller, Super Stamina Award, Technology Whiz

These awards encourage students to pursue their passions, build confidence, and develop a positive attitude toward learning and achievement.

ACADEMIC
ACTIVITIES OFFERED

Parent's & Student's Commendations

We deeply appreciate Vignan Global Gen School, Madinguda, for instilling strong values and equipping the next generation with the skills they need to succeed. Thank you to the entire Vignan team for your outstanding commitment to education.

- Mr. Gowd Siva Prasad
Parent

Vignan Global Gen School, Madinguda, has supported V. Bhuvan Sai for five years, building both his academic ability and his confidence. We are sincerely grateful to the teachers for their care and encouragement.

- Mr. V. SambaSiva Rao
Parent

Achieving NEET rank 14 was a dream come true, made possible by the strong academic foundation and support I received at Vignan.

- B. Sai Trisha Reddy
All India Institute of Medical Sciences (AIIMS), New Delhi

NEET - 14
TS EAMCET - 2

All the teachers are doing an excellent job. My child in Grade IV has become more sociable, confident, and academically stronger thanks to the school's guidance.

- Mr. Anjuman Arabanu
Parent

My daughter has studied at Vignan Global Gen School for three years. The school's assessments track not only academics but also social and emotional growth, and we are very satisfied with her progress.

- Mrs. A. Anupama
Parent

I'm grateful to the entire Vignan team for providing a platform that helped me discover myself and grow into a better person.

Y. Ruthvika
Gandhi Medical College, Hyd.

NEET - 462

Vignan played a key role in building my confidence and preparing me for competitive exams.

S. Manvitha

NEET - 889

The activity-based learning at Vignan gives practical understanding beyond textbooks. Well-planned practice materials encourage my child to think critically, and we're delighted with her progress.

- Mr. P. Sharat
Parent

We highly appreciate Vignan Management for balancing academics with co-curricular and extracurricular activities. Heartfelt thanks to all the teachers for their dedication.

- Mrs. Neha Agarwal
Parent

Vignan's courses significantly enhanced my performance in science and mathematics, helping me reach my goals.

N. Harshitha
IIT - Chennai

IIT-JEE 1586

Concept-based learning at Vignan and exposure to application-based questions guided me to crack my exams...
